Dick Anderson, on the staff of Representative Les Aspin, has referred to the attached speech by Senator John Glenn. The Senator indicated on pg 3796 that there have been some changes in the area of verification. Representative Aspin would like to know what those changes are. Anderson said that if the level of the information will permit him to be briefed (i.e., TS) that will be OK; otherwise, we should brief Representative Aspin.

Attachment

Informed Anderson
~~that the~~ DSI did not
believe there has been any
radical change in verification,
although obviously some
evolution. Anderson
said he would get back
to us if Aspin still
required this.
